Introduction to
Chrysalis Video
www.upperroom.org

Fall is upon us. Although summer is my favorite season, I do love God's beautiful colors of fall. The red, orange, yellow and gold colors of fall/harvest are amazing. Like the leaves change in fall, our lives are changing daily. God is always creating new and wonderful things for us. Plants that start as seeds and become beautiful flowers; babies that grow to become toddlers, school-aged children, teenagers, young adults, adults and senior citizens; caterpillars that become beautiful butterflies. We welcomed the Butterflies of LVC16 and LVC17 into our community in August. It is now time to set our sights on LVC18 and LVC19. We have reserved Freedom Center for our summer 2012 Flights. LVC18 (boys) will take place July 27-29, and LVC19 (girls) will take place August 3-5. Mark your calendars now! Contact your pastors, youth leaders, youth, parents of youth, and anyone else who has contact with the youth, about these dates. If you know a

young person whom you want to sponsor, get the application in now. We need at least 9 boys applications and 9 girls applications for the weekends to take place. If you wish to serve on a Chrysalis Flight, please fill out a Servant Interest Form and send it to the address indicated on the form. The Application to Attend a Chrysalis Weekend and the Servant Interest Forms are both available on the web site. God has amazing plans for our Chrysalis Community, but we need your help in spreading the word about Chrysalis to the youth. If your church wants us to come do a Chrysalis "Road Show", please contact Joe BeMiller to schedule a date. I am praying that everyone takes some time out from our busy lives to truly enjoy God's beauty of Fall.

Fly with Christ!
