Second Thursday of each Month

6:30 PM

Pleasant Valley UMC

Board Meetings are open to all Community Members

Chrysalis Website:

www.lvchrysalis.org

www.facebook.com/LVEmmausChrysalis

Dear Friends,

As the Chrysalis Community begins another year, I want to welcome Linda Crowder, Pappy Pless, and Judy Snoich to the LVC Board of Directors. I also want to thank those who are leaving the BOD for being such wonderful Servants.

We had an extremely productive year. God blessed us with two amazing Flights and another awesome group of Butterflies. This was evidenced by the energy that the new butterflies exhibited at the Gathering/RuSH at Market Street UMC. God is doing wonderful things through these youth, and to see their energy and passion for Him is priceless.

God obviously put together two

wonderful Teams for LVC16 and LVC17—well done good and faithful Servants! If you are interested in serving on a LVC Flight, go to the LVC website and fill out a Servant Interest Form. There is nothing more fulfilling than spending 72 hours with a group of youth who are on fire for the Lord!!

I am looking forward to another awesome year for LVC, and hope to keep the energy that the new Butterflies have shown, going strong. After all, they are the future of all our churches — Thank You God!

Fly With Christ,

Shari Hottle

Loudoun Valley Chrysalis Next Steps Event

Saturday, September 17, 2011 — 4:00 PM

Sparrows Rest Farm

Sparrows Rest is located on 9.5 acres in Madison County, Virginia with spectacular views of the Blue Ridge Mountains. Sparrows Rest provides a safe haven where children can experience farm-life in a loving Christian environment. The property includes a 1900 farm house, magnificent barn, machine shed, several out-buildings and a pond ... and lots of furry friends!

53 Seven Springs Lane, Brightwood Virginia 22715

Come join your Emmaus and Chrysalis Community for a time of fun, food and fellowship!

This trip is a bit far, so lets get together and find someone to ride with.

Lets get M000000oving!!!!

The RuSH Is on!
